Authority to Establish a Municipal Advisory Council

(California Government Code, *Section 31010*)

The Board of Supervisors of any county may by resolution establish and provide funds for the operations of a municipal advisory council for any unincorporated area in the county to advise the board on such matters which related to that area as may be designated by the board concerning services which are or may be provided to the area by the county or other local governmental agencies, including but not limited to advice on matters of public health, safety, welfare, public works, and planning. The board may pay from available funds such actual and necessary expenses of travel, lodging, and meals for the members of the council while on such official business as may be approved by the board.

The resolution establishing any such municipal advisory council shall provide for the following:

- (a) The name of the municipal advisory council
- (b) The qualifications, number, and method of selection of its members, whether by election or appointment
- (c) Its designated powers and duties
- (d) The unincorporated area or areas for which the municipal advisory council is established
- (e) Whether the establishment of the council should be submitted to the voters and the method for such submission, provided that if an election is required pursuant to subdivision (b), such election shall be held at the same time as an election held pursuant to this subdivision
- (f) Such other rules, regulations, and procedures as may be necessary in connection with the establishment and operation of the municipal advisory council.
